

BELLA CHARA

Independent Living Apartments

It's more than living ... it's a lifestyle

Eligibility and entry fees

There is no government or Centrelink assessment required for admission to **Bella Chara**. It may also be suitable for people who have already been assessed for "low care" residential services.

Bella Chara meets all Department of Human Services regulations, ensuring a high level of amenity and care for all residents.

Costs include a weekly charge and ingoing fee, which varies depending on the size and location of your room.

We invite you and your family to discuss your circumstances with us, then we can help develop an appropriate payment plan to suit.

A MACS initiative

Bella Chara is an initiative of Multicultural Aged Care Services Geelong Inc (**MACS**) – a not for profit organisation which has been providing care for Geelong's diverse senior community for more than 15 years.

At **MACS**, our services are as diverse as the community we serve. The **Bella Chara** lifestyle concept complements our other services, including high-care residential aged care and community care packages.

MACS provides a solid foundation of governance and management for **Bella Chara** and a seamless pathway to other care options, if and when required.
